Dear Kristin Maxwell,

Please consider this letter as verification that Conroe FFA Alumni is included in the National FFA Organization's Group Exemption #0776 (GEN), which allows them to be recognized as tax-exempt from federal income tax under section 501 (c) (3) of the Internal Revenue Service code. A copy of our original IRS determination letter regarding GEN status is attached. Conroe FFA Alumni is responsible for filing the appropriate Form 990 annually to maintain this federal tax exemption.

Conroe FFA Alumni will remain part of National FFA Organization's Group Exemption #0776 (GEN) until a request has been made to be removed, or until the group's status has become inactive with National FFA Organization.

Conroe FFA Alumni must comply with any school, school district and/or state requirements.

This exemption is for federal purposes only. The National FFA Organization cannot provide exemption from state taxes of any kind.

Sincerely,

Colleen Rosene
